

**School Improvement Plan 2005-2006
Eisenhower Elementary School
Reading**

Goal: Improve reading for all students across the curriculum.

Data Concerns:

Narrative vocabulary; literary structures including compare and contrast, cause and effect, problem-solution, sequence and descriptive

Strategies to Use:

Cooperative Learning
Quantum Learning

Teacher expectation: Every teacher is expected to spend time each month with their grade level partner or support team member to match a data concern with a cooperative learning structure or a Quantum strategy. Teachers are encouraged to finish the planning as soon as possible so that they may familiarize themselves right away with strategies and structures. Support staff will partner with a grade level.

Activity:

Date:

Brief description of activity:

Staff development 2005-06: Cooperative Learning with Jackie Minor; Reading Vocabulary Instructions to be determined by Co-chairs; 8 Essentials Inservice Partnership with WES; Quantum Coaching with Jenny Severns
