

School Improvement Plan 2005-2006

Eisenhower Elementary School

Staff Development

Goal: Improve reading and math for all students across the curriculum

Data Concerns:

Reading: Narrative vocabulary, persuasive literature structures
 Math: Coordinates, graphs, tables, writing, comparative statements, choosing correct operations, mean, median, mode, range, measurement, volume, weight, time, input/output tables

Strategies to Use:

Cooperative Learning
 Quantum Learning

Teacher expectation: Staff will be provided inservice to meet the data concerns. It will be up to the staff to fully implement in their classrooms. Points may be awarded each certified staff member through their IDP. Paras may receive hours by conferring with the para coordinator for approval. Principal will do walk throughs and note use of Cooperative Learning and Quantum Learning.

Brief description :

<i>Cooperative Learning</i>	<i>Full Day Inservice</i>	<i>August</i>
<i>Teaching Math Concepts</i>	<i>Two hours of Inservice traded from end of year</i>	<i>December</i>
