

The Assistive Technology (AT) Committee recommends you register on the Infinitec website and set up Durable Medical Equipment (DME) Exchange accounts.

Instructions for Registering:

- For Mac users, you need *Firefox* available on your computer. For PC users, you need *Internet Explorer*.
- For **USD 418 Mac users**, you can download *Firefox* from the district server. To download, under the *Go* menu, scroll down to *Connect to Server*. Go to the *CO server* at <afp://docs1.mcpherson.com>. Log in and locate the *shared folder* to download *Firefox*.
- Go to <http://www.myinfinitec.org/MyInfinitec/>
- Follow the instructions for creating a new account.
- MyInfinitec Login
- Click on DME
- Create an account to access the DME. Click on "Create an Account"
 - E-mail - same as Infinitec site
 - Password - suggest using the same password as Infinitec site
 - Group password - mcsec@418
- Under the pull down list for location, *select McPherson County Special Education Cooperative*. This list should show all of the items currently available on DME.
- To complete a specific search, enter a key word in "*where the description contains*" (e.g. switch) and a list of available items should appear.
